I've been diagnosed with Multiple Myeloma, that's bone marrow cancer since July, 1996. V.A. has awarded me 100% service-connected disability from exposure to Agent Orange while in Vietnam. DANANG, Monkey Mountain, VARIOUS TDY'S

The Legacy:
 No Air Base Guarded by USAF AP/SP Squadrons has ever been overran or conquered by an enemy!

Any vets, esp. cops who were at DaNang 66-67 ought to apply for disability if they have one of the dozen cancers associated with Agent Orange exposure.
