Thought the members would like to know that ABC is filming a documentary on the Vietnam war and that the 3rd SPS and 277th SPS will be featured on the defense of Bien Hoa and Tan Son Nhut. Several SP's will appear on camera to tell their story. The last I heard it will be aired on "The Learning Channel" in May 1998.

When we talked about terms and sayings that are particular to our field Tony Ralston remembered another one. While stationed at Pease AFB as a direct duty assigned Air Policeman he became acquainted with the Hawk and Snow Snakes (snow swirls looking like snakes coming across the taxi way and the parking ramp. He also had some more about Vietnam which will be in later issues with some pictures.
