VII. COMMENTS OF REPORTING OFFICIAL (Be factual and specific. Add any comments which increase the objectivity of the rating.)
 FACTS AND SPECIFIC ACHIEVEMENTS: The manner in which Staff Sergeant Rasmussen has performed his assigned duties has been outstanding. He has been assigned to various supervisory positions within the flight structure and always displays qualities of a leader and professional non-commissioned officer. He is knowledgeable of all phases of the career field, and creates a highly competitive attitude within the flight. This competitive spirit has contributed to an increase in the performance of contemporary non-commissioned officers and airmen, and has improved the morale of flight personnel. On several occasions while performing duties as a security alert team leader, Sergeant Rasmussen's judgement has been responsible for swift and efficient handling of the situations concerned. Sergeant Rasmussen participated as a volunteer on several hazardous convoys. He possesses the ability to remain calm, alert, and exercises positive leadership under adverse conditions. Sergeant Rasmussen's military bearing, conduct, personal appearance, and positive attitude are above that of Air Force standards as well as the standards required in his career field. STRENGTHS: Sergeant Rasmussen's main strengths are his ability to accept, and carry out all assigned responsibilities in a professional manner. He is an extremely dedicated and loyal individual, who places the organization and responsibilities ahead of himself. I highly recommend promotion to the next higher grade as soon as possible.
