Phil,
Here is the information you requested.
Thanks again,
Tom

To Whom It May Concern,

I served at Phan Rang Air Base, RVN in the 35th Field Maintenance Squadron from Nov 1968 to Jun 1970. From Jan 1969 to Jan 1970 I was also a Security Police Augmentee. From the time I became an augmentee until the time he left RVN in May 1969, Airman Antonio Salazar also served as an augmentee.
