Dear John,

Here is the information on the Air Force SP's Vietnam Tour on March 4 -14, 1996. I have enclosed everything which you need to get started.

The final tour price has been set at \$1,295 per person. If you decide to be the Team Leader, your tour costs will be reduced by 50% for performing this function and will be \$648 total.

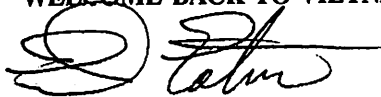

Your function prior to the commencement of the tour will be to insure that tour information is distributed to prospective tour members, either directly by yourself or by us; if you want us to send tour information to prospective tour members give us a call or fax telling us the name and address to whom it should be sent.

There are only 16 seats available for the Air Force SP's Vietnam Tour; we need to fill a minimum of 16 seats and cannot sell any more than that number. Your seat will be in addition to the 16. We do not think there will be any difficulties in filling this number of seats as the tour is probably the best tour with the best price on the market.

We need to have the tour completely filled by the beginning of August of this year; if it isn't filled by that time, we may have to reallocate the tour to other associations who have expressed a desire to go under this program.

Please review the inclosed information and give me a call. I look forward to working with you.

WELCOME BACK TO VIETNAM,

Ed Eaton
